WELCOME MESSAGE

Dear Colleagues,

Warm greetings from the TNSGEAA and the IASGCON 2025 Secretariat! We are delighted to invite you to the 35th Annual Conference of the Indian Association of Surgical Gastroenterology (IASGCON 2025), a landmark event in the field of Gastrointestinal and HPB Surgery. Scheduled from 10th to 12th October 2025 at the iconic ITC Grand Chola, Chennai, this year's conference promises to be a transformative experience under the theme: "GI Oncology, Innovations, AI and Beyond."

IASGCON 2025 will bring together an outstanding faculty of national and international experts to share insights, innovations, and advances that are shaping the future of GI surgery. The scientific program is thoughtfully curated to benefit specialists across the spectrum — from young residents to seasoned surgeons.

The comprehensive 3-day program will cover Advanced Minimally Invasive GI Surgery, Laparoscopy-Endoscopy Cooperative Surgery, GI Robotics, Complex Open GI Procedures

Highlights include Didactic Lectures, Hands-on Workshops, Training Modules, and Interactive Case-based Panel Discussions, all designed to encourage participation, learning, and collaboration.

We expect participation from over 1500 delegates including GI Surgeons, HPB Surgeons, Onco-Surgeons, Bariatric and Transplant Surgeons, Endoscopists, and Surgical Trainees from across the country.

Chennai in October offers beautiful weather, vibrant culture, and warm hospitality — the perfect backdrop for scientific exchange and networking. We encourage you to book your accommodation early and finalize your travel plans to make the most of this enriching experience.

We look forward to welcoming you to IASGCON 2025 - a celebration of science, skill, and surgical innovation.

HIGHLIGHTS OF THE CONFERENCE

- Video workshop: Thoracoscopic esophagectomy
- MDT session: GE junction tumor
- Advances and Innovations in Esophageal Cancer Therapy
- Video workshop: Open pancreatoduodenenctomy
- MDT session: Pancreatic cancer
- Advances and Innovations in Pancreatic Cancer Therapy
- Video workshop: Open right hepatectomy
- MDT session: Hepatocellular Carcinoma
- Advances and Innovations in liver surgery
- Video workshop: Surgical approach to CBD stones
- MDT session: Gallbladder cancer
- Advances and Innovations in biliary surgery
- Opinions and Debates
- Essentials of proctology/benign colon disorders
- Video workshop: Ultralow anterior resection in a male patient (Laparoscopic/robotic)
- MDT session Colorectal cancer with peritoneal metastasis
- Advances and Innovations in colorectal surgery
- Video workshop: Giant paraesophageal hernia (GPEH)
- MDT session: Oligometastatic gastric cancer
- Advances and Innovations in upper GI surgery

Who Should Attend?

- Surgical Gastroenterologists
- ▶ Medical Gastroenterologists
- Surgical Oncologists
- ▶ Medical Oncologists
- General Surgeons
- Respective Postgraduates

Chennai: A Blend of Tradition and Modernity

Chennai, formerly known as Madras, stands as a vibrant testament to India's rich cultural tapestry. As the capital of Tamil Nadu, this bustling metropolis seamlessly integrates its historical heritage with contemporary advancements. Delegates will find themselves immersed in a city that not only serves as a hub for medical excellence but also offers a plethora of experiences that reflect its storied past and dynamic present.
